SIXTH DISTRICT UNDERGRADUATES

Ω SCHOLARSHIP

Ω LEADERSHIP

Ω EXCELLENCE

ON THE YARD

Williams Capitol One Academic All District

by: Brother Raymond L. Johnson

Brother Michael Anthony Washington, II

BOONE, NC - Michael Anthony "Tony" Washington, II, has a penchant for success on and off the gridiron. As a starting wide receiver for Appalachian State University, Brother Washington finished the season with 423 receiving yards on 32 receptions, and 1,094 all-purpose yards. He is ranked in the top 25 nationally in punt and kickoff returns. Brother Washington's leadership, winning attitude and consistently high level of performance have earned him second team Southern Conference All Conference recognition.

While Brother Washington's gridiron exploits are exemplary, he also maintains a 3.8 GPA as a double major in

Building Sciences / Architectural Design and Construction Management and a double minor in Leadership and Urban Planning. He was one of 54 student-athletes nationwide named to The Football Championship Academic All-Star Team. He is the third Appalachian State athlete to ever be so honored. His scholastic achievements have also earned him recognition as the winner of the coveted Capital One Academic All District award which placed him in contention for Capital One's Academic All American award.

As long as Brother Washington can remember; proud, strong and confident men were actively engaged in shaping his life. Discovering that these high character and influential leaders were Omega men fueled his desire to become an active member. His father, Mu Psi 1976, Mike Washington was the primary male role model in his life. Brother Washington was proud to witness his son's initiation into Psi Mu Chapter during the spring of our Fraternity's Centennial year. Currently, Brother Washington is the KRS of Psi Mu and is committed to help ensure that the chapter and the Fraternity are recognized as organizations filled with the

best and brightest members who are held in high regard by both the university and its stakeholders. He has a strong desire to help others and plans to mentor young men on a regular basis and help them set and exceed challenging life goals.

With one year of eligibility remaining at Appalachian State, Brother Washington is focused on his academic and athletic goals. First team All Southern Conference and "back to back" Capital One Academic All American awards are all within his grasp prior to his December 2013 graduation. Whether his post-collegiate career includes running routes as a wide out for the Carolina Panthers or perhaps drafting a state-of-the-art "green" architectural marvel, rest assured that Brother Washington will continue to excel and be recognized as a leader among men and a true asset to the Fraternity.

Beta Mu Top Rated COC NPHC Chapter

by: Brother Kurt Walker

Brother Roysean Philson

CHARLESTON, SC - Beta Mu Chapter made the distinction of being the top rated National Pan Hellenic Council Chapter holding the highest grade point average of the 2012 fall semester at the College of Charleston.

The Chapter also ranked third overall on campus wide fraternities and sororities with a cumulative GPA of 3.24, only .001 away from being first overall.

Brother Roysean Philson, Junior, a Political Science major and History minor from Spartanburg, SC, led the way and finished the semester with a 3.88 GPA and a cumulative GPA of 3.40.

East Carolina Hosts Brother Bill Cosby

by: Brother Lathan E. Turner

Nu Alpha Chapter members greet Brother Bill Cosby before his performance at ECU

GREENVILLE, NC - On Thursday September 20, 2012, Brother Dr. Bill Cosby performed at the Wright Auditorium on the campus of East Carolina University. His appearance kicked off the 51st season of the S. Rudolph Alexander Performing Arts Series at East Carolina University.

By special request, some of the Brothers from the Nu Alpha graduate chapter were able to fraternize with Brother Cosby before his performance.

The following are excerpts from his performance:

"They're standing on the corner and they can't speak English." I can't even talk the way these people talk: What he drive, Where he stay, Who you be...And I blamed the kid until I heard the mother and father

talk. Everybody knows it's important to speak English except these knuckleheads. People marched and were hit in the face with rocks to get an education, and now we've got these knuckleheads walking around.

The lower economic people are not holding up their end in this deal, they are buying things for kids, \$500 sneakers for what? And they won't spend \$200 for Hooked on Phonics. And where is the father? Or who is his father?

People with pants down around the crack, isn't that a sign of something? Isn't it a sign of something when she has her dress all the way up? What part of Africa did this come from?? We are not Africans. Those people are not Africans; they don't know a thing about Africa.
