

Brothers, please see the announcement regarding Brother Ken Johnson's move to Austin, Texas. As we indicated, Brother Johnson will remain affiliated with Iota Iota and the Mighty Sixth District. He continues to serve Iota Iota and will continue as the Technology Chairman for the Sixth District.

Brother Glenn Thomas
Basileus

Brother Ken Johnson, Life Member, Spring '92, Iota Iota Chapter Raleigh, NC recently accepted the Vice President of Manufacturing for Active Power located in Austin, TX as of June 9, 2014. Brother Johnson will be based in Austin, TX.

Founded in 1992, Active Power designs and manufactures uninterruptible power supply (UPS) systems and modular infrastructure solutions, and provides related services, that enable data centers and

other mission critical operations to remain 'on' 24 hours a day, seven days a week. The company's products and solutions are built with pride in Austin, Texas, at a state-of-the-art, ISO 9001:2008 registered manufacturing and test facility. Global customers are served via Austin and three regional operations centers located in the United Kingdom, Germany, and China, that support the deployment of systems in more than 50 countries.

Active Power announced, *"We have completed an extensive two month hiring search to identify a highly experienced and talented individual to lead our manufacturing operations. In fact, we interviewed a number of good candidates both inside and outside the company. I am happy to announce Ken Johnson has accepted the position of Vice President of Manufacturing starting June 9. Ken has had a long, successful career in Operations, Supply Chain Management, Service Parts and Warranty Production Procurement, and Quality. Ken started his career at IBM and has since worked at Danaher, Eaton and most recently Avaya. Ken is a native Texan and earned a Bachelor's of Science in Industrial Engineering and a Master's of Engineering from Texas A&M in College Station, Texas. Let's give Ken a big welcome to Active Power. Mark A Ascolese, President and CEO.*

In his role, Brother Johnson will report directly to the CEO and will be responsible for all manufacturing, supply chain, manufacturing engineering and order management activities.

Brother Johnson has held a number of positions in leadership in the Sixth District and Omega. He has been a 4 time Basileus at Iota Iota and held the KRS and KF positions as well. He has also chaired a majority of the chapter's committees and been recognized as Omega Man of the Year, Founders Award and Chapter Basileus Award.

On the District level, Brother Johnson has served as the Achievement Week Chairman and continues serve as our District Technology Chairman. He has also served as a Regional Intake Team Member, on the Reclamation and Retention Committee, served as the District Marshall for the 54th Annual Sixth District Meeting held in Raleigh 1999, served on the Sixth District Talent Hunt Committee and the World HQ Automation Committee.

Additionally, on the International Level, he has served on the International Achievement Week Committee, International Technology Committee, and the 76th Grand Conclave Host Chapter Basileus.

Brother Johnson will be retaining his home in Raleigh, his membership in the Iota Iota Chapter and the Mighty Sixth District.
